

Your dream kitchen

So it's happening – you're going to have a new kitchen! Whether your choice is startlingly modern or 19th century country cottage, we have some great ideas

Arcobaleno – shown here in white high gloss lacquer, with white stone tops and dark oak breakfast bar. Stunning Elica extractor hood, all available from **Lida Cucina 0118 924 1608**

The pale grey lacquered Italian units feature greyed oak base drawers. Composite two-tone worktops and colour-matched glass splash back provide a touch of glamour, as do the hand blown lights with crystals. All from **www.barclay-interiors.com 01344 626165**

Right: This kitchen was designed by **Podesta** for a new extension to a period property. The owners love to entertain and were keen to have a central dining area. A simple colour scheme of light and dark greys provides warmth, with natural light from the skylight reflected around the room. The cabinets are in hand painted tulipwood. **www.podesta.uk.com 01494 677770**

Below: Manufactured in tulip wood with the internals featuring a real oak veneer and the drawers being solid oak dove tail. Hand paint finish using Farrow & Ball, Castle Grey. Honed Granite, Kashmir White. **Willow Bank Joinery www.willowbankjoinery.co.uk 01280 822749**
